Dear Shareholder

2014 ANNUAL GENERAL MEETING

I am writing to notify you of the Company’s Annual General Meeting, which will be held at 10:00am on 16 May 2014 at 41 Charlotte Square, Edinburgh EH2 4HQ, and to explain the business to be considered at the meeting. The notice of the meeting is set out on pages 3 to 5 of this letter.

Resolution 1: Receipt and adoption of Reports and Financial Statements (Ordinary Resolution)

This resolution relates to the receipt and adoption by the Annual General Meeting of the Directors’ and Auditor’s reports and the financial statements of the Group for the year ended 31 December 2013, which are enclosed with this letter and which are also available to download at the Company’s website at www.sigmacapital.co.uk.

Resolutions 2, 3 & 4: Re-appointment of Directors retiring by rotation (Ordinary Resolution)

The Company’s Articles of Association require that one-third of the Directors retire by rotation at the Annual General Meeting and that any Director who thus retires may offer himself for re-election. This resolution proposes the re-appointment of James McMahon, Graham Barnet and Marilyn Cole, all of whom are retiring by rotation.

Resolution 5: Directors’ Remuneration Report (Ordinary Resolution)

The Company is required to put its report on Directors’ remuneration to an advisory shareholder vote. As the vote is advisory it does not affect the actual remuneration paid to any individual Director. The report on Directors’ remuneration is set out in the Annual Report referred to in Resolution 1 above.

Resolution 6: Re-appointment of the auditor (Ordinary Resolution)

This resolution is proposed to re-appoint Chantrey Vellacott DFK LLP as auditor of the Company.

Resolution 7: Remuneration of the auditor (Ordinary Resolution)

This resolution is proposed to authorise the Directors to fix the remuneration of the auditor, Chantrey Vellacott DFK LLP.

Resolution 8: General authority to allot securities (Ordinary Resolution)

Resolution 8 seeks to give the Directors authority to allot a maximum of either:

- (i) £231,412.29 by nominal value of unissued ordinary share capital (which equates to 23,141,229 unissued ordinary shares of 1 pence each). This maximum nominal amount represents (i) the 3,096,904 ordinary shares that are currently reserved to satisfy the exercise of share options, plus (ii) one-third of the Company's total ordinary share capital in issue assuming that the 11,428,571 new ordinary shares of 1 pence each to be issued pursuant to the placing of shares referred to the circular to shareholders dated 19 March 2014 (the "**Placing**") are issued prior to the annual general meeting; or
- (ii) £193,317.05 by nominal value of unissued ordinary share capital (which equates to 19,331,705 unissued ordinary shares of 1 pence each). This maximum nominal amount represents (i) the 3,096,904 ordinary shares that are currently reserved to satisfy the exercise of share options, plus (ii) one-third of the Company's total ordinary share capital in issue assuming that the 11,428,571 new ordinary shares of 1 pence each to be issued pursuant to the Placing are not issued prior to the annual general meeting.

The authorities sought are in accordance with institutional guidelines which permit such authorities to be calculated on the basis of one-third of the Company's issued share capital.

The authority conferred by this resolution will expire on the date falling 15 months after the passing of the resolution or, if earlier, at the conclusion of the annual general meeting of the Company to be held in 2015.

Resolution 9: General disapplication of pre-emption rights (Special Resolution)

Resolution 9 seeks to give the Directors power to allot a maximum of either £231,412.29 or £193,317.05 of unissued ordinary share capital (which equates to either 23,141,229 or 19,331,705 unissued ordinary shares depending on whether or not the 11,428,571 new ordinary shares are issued pursuant to the Placing) for cash without first being required to offer such shares to existing shareholders but this authority is limited to (i) the allotment of shares should there be an offer to allot shares or other securities to shareholders *pro rata* in the future (subject to certain exclusions or arrangements as the Directors may deem necessary); (ii) the allotment of shares that are currently reserved to satisfy the exercise of share options; and (iii) the allotment of up to either (i) 3,006,648 or 2,435,220 ordinary shares (depending on whether or not the 11,428,571 new ordinary shares are issued pursuant to the Placing) for cash (for any purpose) representing 5 per cent. of the issued ordinary share capital of the Company either (i) as at the date of the annual general meeting (if the 11,428,571 new ordinary shares are issued pursuant to the Placing prior to the annual general meeting) or (ii) at the date of this letter (if the 11,428,571 new ordinary shares are not issued pursuant to the Placing prior to the annual general meeting).

The power conferred by this resolution will expire on the date falling 15 months after the passing of the resolution or, if earlier, at the conclusion of the annual general meeting of the Company to be held in 2015.

The Directors consider that the authority and power proposed to be granted by resolutions 8 and 9 are necessary to retain flexibility. The Directors do not have any intention of exercising such authority and power at the present time. Ordinary shares may also be allotted pursuant to similar authorities and powers previously granted in relation to the exercise of existing share options.

Recommendation

Your Board believes that the proposed resolutions are in the best interests of the Company and unanimously recommends that you vote in favour of them as your Directors intend to do in respect of their own beneficial shareholdings, amounting to 9,722,868 ordinary shares of 1 pence each representing 19.96 per cent. of the issued share capital of the Company as at the date of this letter.

The form of proxy for use at the Annual General Meeting is included in the 2013 Annual Report & Financial Statements on page 47. You are asked to complete and return it to the Company Secretary at 41 Charlotte Square, Edinburgh, EH2 4HQ, as soon as possible and in any event so as to be received not later than 10:00am on 14 May 2014. The return of a form of proxy will not prevent you from attending the Annual General Meeting and voting in person should you wish to do so.

Yours sincerely
D Sigsworth
 Chairman

Notes:

The following notes explain your general rights as a shareholder and your rights to attend and vote at the AGM or to appoint someone else to vote on your behalf.

1. Only those shareholders registered in the Register of Members of the Company as at 10am on 14 May 2014 (the Specified Time) shall be entitled to attend or vote at the Annual General Meeting (“AGM”) in respect of shares registered in their name at that time. Changes to entries in the Register of Members after the Specified Time shall be disregarded in determining the rights of any person to attend or vote at the AGM, notwithstanding any provisions in any enactment, the articles of association of the Company or other instrument to the contrary. Should the AGM be adjourned to a time not more than 48 hours after the Specified Time, that time will also apply for the purpose of determining the entitlement of members to attend and vote (and for the purpose of determining the number of votes they may cast) at the adjourned AGM. Should the AGM be adjourned for a longer period, to be so entitled, members must have been entered on the Register by 10am two business days prior to the adjourned AGM or, if the Company gives notice of the adjourned AGM, at the time specified in such notice.
2. A person entitled to receive notice of, and attend and vote at, the AGM may appoint a proxy or proxies to attend and exercise all or any of his rights to attend, speak and vote at that meeting in his stead. A proxy need not be a member of the Company but must attend the AGM to represent you. A member may appoint more than one proxy provided that each proxy is appointed to exercise the rights attached to a different share or shares held by him. Appointment of a proxy will not preclude a member from attending and/or voting in person at the AGM. A form of proxy for use at the AGM is included on page 47 of the 2013 Annual Report and Financial Statements enclosed and, if used, should be lodged, together with any power of attorney or other authority (if any) under which it is signed, in accordance with the terms detailed on the form of proxy. To be valid the form of proxy must be received by the Company Secretary at 41 Charlotte Square, Edinburgh EH2 4HQ not less than 48 hours (excluding non-working days) before the time of the AGM or any adjournment thereof. Any power of attorney or other authority under which the form of proxy is signed (or a certified copy of such authority) must be included with the form of proxy.

3. In order to facilitate voting by corporate representatives at the meeting, arrangements will be put in place at the meeting so that (i) if a corporate shareholder has appointed the chairman of the meeting as its corporate representative to vote on a poll in accordance with the directions of all of the other corporate representatives for that shareholder at the meeting, then on a poll those corporate representatives will give voting directions to the chairman and the chairman will vote (or withhold a vote) as corporate representative in accordance with those directions; and (ii) if more than one corporate representative for the same corporate shareholder attends the meeting but the corporate shareholder has not appointed the chairman of the meeting as its corporate representative, a designated corporate representative will be nominated, from those corporate representatives who attend, who will vote on a poll and the other corporate representatives will give voting directions to that designated corporate representative. Corporate shareholders are referred to the guidance issued by the Institute of Chartered Secretaries and Administrators on proxies and corporate representatives (www.icsa.org.uk) for further details of this procedure. The guidance includes a sample form of appointment letter if the chairman is being appointed as described in (i) above.
4. Members satisfying the thresholds in section 527 of the Companies Act 2006 can require the Company to publish a statement on its website setting out any matter relating to (a) the audit of the Company's accounts (including the Auditor's report and the conduct of the audit) that are to be laid before the AGM; or (b) any circumstances connected with an Auditor of the Company ceasing to hold office since the last AGM, which the members propose to raise at the meeting. The Company cannot require the members requesting the publication to pay its expenses. Any statement placed on the website must also be sent to the Company's Auditor no later than the time it makes its statement available on the website. The business which may be dealt with at the AGM includes any statement that the Company has been required to publish on its website pursuant to this right.
5. Pursuant to section 319A of the Companies Act 2006, the Company must cause to be answered at the AGM any question relating to the business being dealt with at the AGM which is put by a member attending the meeting, except in certain circumstances, including if it is undesirable in the interests of the Company or the good order of the meeting that the question be answered or if to do so would involve the disclosure of confidential information.
6. Members satisfying the thresholds in section 338 of the Companies Act 2006 may require the Company to give, to members of the Company entitled to receive notice of the AGM, notice of a resolution which those members intend to move (and which may properly be moved) at the AGM. A resolution may properly be moved at the AGM unless (i) it would, if passed, be ineffective (whether by reason of any inconsistency with any enactment or the Company's constitution or otherwise); (ii) it is defamatory of any person; or (iii) it is frivolous or vexatious. The business which may be dealt with at the AGM includes a resolution circulated pursuant to this right. A request made pursuant to this right may be in hard copy or electronic form, must identify the resolution of which notice is to be given, must be authenticated by the person(s) making it and must be received by the Company not later than six weeks before the date of the AGM.
7. Members satisfying the thresholds in section 338A of the Companies Act 2006 may request the Company to include in the business to be dealt with at the AGM any matter (other than a proposed resolution) which may properly be included in the business at the AGM. A matter may properly be included in the business at the AGM unless (i) it is defamatory of any person or (ii) it is frivolous or vexatious. A request made pursuant to this right may be in hard copy or electronic form, must identify the matter to be included in the business, must be accompanied by a statement setting out the grounds for the request, must be authenticated by the person(s) making it and must be received by the Company not later than six weeks before the date of the AGM.
8. In accordance with section 311A of the Companies Act 2006, the contents of this notice of meeting and, if applicable, any members' statements, members' resolutions or members' matters of business received by the Company after the date of this notice will be available on the Company's website at www.sigmacapital.co.uk.
